## LIVED ARCHITECTURE: FUTURE HERITAGE

### 1st CONGRESS OF ARCHITECTURE IN EQUATORIAL GUINEA

Malabo, 19-21 November 2014

---

Direction: Laida Memba and Montserrat Villaverde

#### PRESENTING PAPERS

Heritage Guinea 2020 invites architecture professionals, researchers in any discipline who are interested in the theme, students, etc., to present proposals of papers for the sections included in the Congress structure.

The Congress Direction, together with the Scientific Committee, will select papers for further development and presentation at the Congress. The vehicular language of the Congress is Spanish, and papers may be presented in French, Portuguese and English. After the Congress, the proceedings will be published with the keynote speeches and the papers.

The calendar for the process is as follows:

12 September 2014

**Deadline for reception of papers**

26 September 2014

**Selection of papers by the Scientific Committee and the Congress Direction**

1 October 2014

**Notification of the authors of the papers**

5 November 2014

**Deadline for submission of definitive texts of accepted papers (extension and format will be communicated on acceptance)**

Proposals of papers will be outlined in accordance with the duly completed Application Form, and must be sent in by e-mail before 18:00 hours on 12 September to:
